In this part of the Purana, the following are narrated: The divine river Viraja which forms the border between Vaikhunta and Go Loka, description of Goloka, Birth of Sri Krishna, Puja and Vratha of Sri Krishnashtami, Putana, Trinavarta's attempts to harm Sri Krishna, Sakata Bhanjana, Marriage of Radha Krishna, Govardhana Uddhara, the Glory of aekadasi, Rasa kreedha and the Narrations of Siva and Parvati.

Chaste Value Feb 02 2020 Chaste Value reassesses chastity's significance in early modern drama,

arguing that presentations of chastity inform the stage's production of early capitalist subjectivity and social difference. Plays invoke chastity-itself a quasi-commodity-to interrogate the relationship between personal and economic value. Through chastity discourse, the stage disrupts pre-capitalist ideas of intrinsic value while also reallocating such value according to emerging hierarchies of gender, race, class, and nationality. Chastity, therefore, emerges as a central category within early articulations of humanity, determining who possesses intrinsic value and, conversely, whose bodies and labor can be incorporated into market exchange.

La Gaviota a Spanish Novel (Classic Reprint) Apr 29 2022 Excerpt from La Gaviota a Spanish Novel Gaviota (sea-gull) is the sobriquet which Andalusians give to harsh-tongued, flighty women of unsympathetic mien and manners; and such was applied to the heroine of this tale by a youthful, malicious tormentor - Momo. Fernan Caballero is, indeed, but a pseudonym: the author of this novel, passing under that name, is understood to be a lady, partly of German descent. Her father was Don Juan Nicholas Bohl de Faber, to whose erudition Spain is indebted for a collection of ancient poetry. Cecelia, the daughter of Bohl de Faber, was born at Morges, in Switzerland, in 1797, and subsequently married to a Spanish gentleman. Indeed, since the death of her first husband, she has successively contracted two other marriages, and is now a widow. We have it on the authority of the Edinburgh Review, that the novels of this gifted authoress were "published at the expense of the Queen." The Qur'an Apr 17 2021 This is the 6th Edition and 5th revised version of this translation. The Qur'ān is, in its own words, "light," which means that it is self-manifesting, with no need of an external source of illumination; other things need light to become visible and manifest. With it God guides those who pursue His pleasure to the ways of peace, and brings them out from darkness into light by His will, and guides them to a straight path (5:16). Of course, the Qur'ān is not an exception among revealed scriptures in that it is a source of light and guidance. According to the Qur'an, so were the Torah and the Gospel, scriptures given to Moses and Jesus. All scriptures of Divine origin are a source of light and guidance. Nothing is more important for man than the knowledge of the very Source of reality. Any knowledge that is not informed with this awareness is just a kind of ignorance. All effort that does not derive from this knowledge is ultimately fated to end in futility and failure. The Qur'ān claims to be the most reliable source of this knowledge and the best guide for human endeavour. It teaches that the Source of being is also the chief Source of guidance. Expert Opinions About This Translation: This is a wonderful translation. It is both faithful and fluent. [The translator has] struck a nice balance here. It is a real improvement over existing translations.-Dr Muhammad Legenhausen What Qarai has accomplished... is a revival of the art of translation as an adjunct to the understanding of the original, skillfully adapted to the needs of the English-speaking student of the Qur'an... He has opted always for the maximum degree of closeness to the Arabic compatible with comprehensibility, thereby coordinating translation with original in the most substantial of ways. Although Qarai envisions his translation as a paraphrase of the Qur'anic meanings, as a tool for gaining access to the original, it must be stressed that his translation reads extremely well even if

regular cross-reference to the Arabic not be the purpose of the reader. The language Qarai has chosen is clear, chaste, straightforward and dignified, distant from both the archaisms and the modernisms that have been affected by other English translators of the Qur'an.... It is plain, indeed, that a serious and profound appreciation of the Qur'anic message has animated the whole of Qarai's successful labours. We warmly recommend his translation to all with a serious interest in the Qur'an.-Prof. Hamid Algar As a person who was part of a team that worked on a translation, I was often asked during this process what translation I recommend.... What I want to do in this video is first talk about two translations that I do recommend and I have often recommended, which are those by A. J. Arberry and the one by Ali Quli Qarai.... I really found this (Ali Quli Qarai's) translation to be quite excellent, and I was really surprised when I came upon it, because hardly anybody has spoken about it. One of the great things about this translation for somebody who is learning Arabic is that the translation has Arabic right next to it, but it has it phrase by phrase-not just the whole verse, but the exact phrase is next to the exact Arabic. So if you are studying Arabic, you can use this very well to identify the exact translation and the Arabic.. . . [I]t is more accurate and more consistent than almost any other translation and more accurate than Arberry, in fact. I don't think I found any passage where I could say that Ali Quli Qarai made an egregious mistake.-Prof. Joseph Lombard (member of the team of translators of The Study Qur'an, in a video talk)<https://www.youtube.com/watch?v=cjsyGOaWE>

The Thrill of the Chaste (Catholic Edition) Sep 03 2022 Dawn Eden, internationally known speaker and author, presents a completely revised Catholic edition of her bestselling work, *The Thrill of the Chaste*. In this version, Eden shares her story of conversion to Catholicism and invites readers into a Catholic understanding of chastity and its spiritual benefits. When Dawn Eden released *The Thrill of the Chaste* in 2006, she was a Jewish convert to Protestant Christianity, preparing to make the final leap into Catholicism. Now, nine years later, Eden has extensively updated *The Thrill of the Chaste*, sharing how her Catholic faith, the lives and intercession of the saints, and the healing power of the sacraments have led her to find her true identity in Christ. This revised, Catholic version offers spiritual and practical advice for both men and women seeking to live chastely in a world that glorifies sex. Eden offers tips to help readers avoid temptation and live faithfully—including dressing modestly, but not being afraid to feel good about the way they look; trusting that God has a plan for their life and relationships; and making sure their “yes” comes from the heart.

Chaste Cinematics Nov 24 2021 Victor J. Vitanza (author of *Sexual Violence in Western Thought and*

Writing) continues to rethink the problem of sexual violence in cinema and how rape is often represented in "chaste" ways, in the form of a Chaste Cinematics. Vitanza continues to discuss Chaste Cinematics as participating in transdisciplinary-rhetorical traditions that establish the very foundations (groundings, points of stasis) for nation states and cultures. In this offering, however, the initial grounding for the discussions is "base materialism" (George Bataille): divine filth, the sacred and profane. It is this post-philosophical base materialism that destabilizes binaries, fixedness, and brings forth excluded thirds. Vitanza asks: why is it that a repressed third, or a third figure, returns, most strangely as a "product" of rape and torture? He works with Jean-Paul Sartre and Page duBois's suggestion that the "product" is a new "species." Always attempting unorthodox ways of approaching social problems, Vitanza organizes his table of contents as a DVD menu of "Extras" (supplements). This menu includes Alternate Endings and Easter Eggs as well as an Excursus, which invokes readers to take up the political exigency of the DVD-Book. Vitanza's first "Extra" studies a trio of films that need to be reconsidered, given what they offer as insights into Chaste Cinematics: Amadeus (a mad god), Henry Fool (a foolish god), and Multiple Maniacs (a divine god who is raped and eats excrement). The second examines Helke Sander's documentary Liberators Take Liberties, which re-thinks the rapes of German women by the Russians and Allies during the Battle of Berlin. The third rethinks Margie Strosser's video-film Rape Stories that calls for revenge. In the Alternate Endings, Vitanza rethinks the problem of reversibility in G. Noé's *Irréversible*. In the Easter Eggs, he considers Dominique Laporte's "the Irreparable," as the object of loss and Giorgio Agamben's "the Irreparable," as hope in what is without remedy. The result is not another film-studies book, but a new genre, a new set of rhetorics, for new ways of thinking about cinematics, perhaps postcinematics. Victor J. Vitanza is Professor of English and Rhetorics and is the founding

Director of the Ph.D. program in Rhetorics, Communication, and Information Design in the College of Architecture, Art, and Humanities, at Clemson University. He is also Professor of Rhetoric and Philosophy, as well as the holder of the Jean-François Lyotard Chair in the Media and Communication Division at the European Graduate School in Switzerland. He is the Editor of *PRE/TEXT: A Journal of Rhetorical Theory*. His books include *Sexual Violence in Western Thought and Writing: Chaste Rape* (Palgrave, 2011), *Negation, Subjectivity, and The History of Rhetoric* (SUNY, 1997), *Writing Histories of Rhetoric* (Southern Illinois, 1993); and *PRE/TEXT: A Retrospective* (Pittsburgh, 1993).

Chaste Liberation Dec 26 2021 Sex is not a simple concept. Focusing on the issue of celibacy, the author explores the cultures of three post-Civil War utopian communities and their relation to female status in American society. From her examination of the Shakers, Koreshans, and Sanctificationists, the author concludes that the adoption of celibacy promoted theoretical sexual equality and female social power in those religious groups. -- Bookjacket.

The Gendered Role of the "Chaste Maid" in Thomas Middleton's "A Chaste Maid in Cheapside" Jun 19 2021 Seminar paper from the year 2016 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,0, University of Paderborn (Institut für Anglistik und Amerikanistik), course: "What is the City but the People?" - Exploring Renaissance

London, language: English, abstract: The city comedy "A Chaste Maid in Cheapside" was written by Thomas Middleton in 1613 and published in quarto in 1630. It is situated in Cheapside, the main market square in London then. The story consists of several plots that develop around the constituent families and cross in the course of the play. In this work, I explore a part of Renaissance London. With the help of Thomas Middleton's play "A Chaste Maid in Cheapside", published in 1630, I investigate the gender role of the main character Moll, who is also the "chaste maid". I draw attention to the questions: How is "the chaste maid" represented? What is her role within the social systems of family, lover and arranged marriage partner? How is Moll an example for women's positions between gender and social roles within society? I argue that Moll's role shows a clear example of how women were treated unequally and how they had less rights than men. When analyzing the woman's role within society, I consult secondary sources that examine the image of women and gender during that time so that the satire of the play can be understood accordingly.

[The Confucian Four Books for Women](#) Aug 29 2019 This volume presents the first English translation of the Confucian classics, *Four Books for Women*, with extensive commentary by the compiler, Wang Xiang, and introductions and annotations by translator Ann A. Pang-White. Written by women for women's education, the *Confucian Four Books for Women* spanned the 1st to the 16th centuries, and encompass Ban Zhao's *Lessons for Women*, Song Ruoxin's and Song Ruozhao's *Analects for Women*, Empress Renxiaowen's *Teachings for the Inner Court*, and Madame Liu's (Chaste Widow Wang's) *Short Records of Models for Women*. A female counterpart to the famous *Sishu* (*Four Books*) compiled by Zhu Xi, Wang Xiang's *Nü sishu* provides an invaluable look at the long-standing history and evolution of Chinese women's writing, education, identity, and philosophical discourse, along with their struggles and triumphs, across the millennia and numerous Chinese dynasties. Pang-White's new translation brings the authors of the *Four Books for Women* to

life as real, living people, and illustrates why they wrote and how their work empowered women.

Chaste Passions Oct 04 2022 Virgin martyrs make up one of the largest categories of medieval saints. To judge by their frequent appearances in art and literature, they also figure among the most

venerated. The legends of virgin martyrs, retold in various ways through the centuries, illuminate trends in popular piety, values, and literary tastes. *Chaste Passions* contains sixteen English virgin martyr legends, each of a different saint and each translated into colloquial, modern English prose. Faithful in tone and meaning to the originals, Karen Winstead's lively translations allow contemporary readers to appreciate why virgin martyr legends thrived for hundreds of years. Winstead presents the tales in chronological order, tracing the effects of the composition and tastes of the audience on the development of the genre. The virgin martyr, Winstead tells us, escapes the confining female stereotypes—demure maiden or disruptive shrew—prevalent in writings of the period. Because nearly all of the texts were written by men but addressed to women, they exhibit a fascinating interplay between male views of so-called women's literature and the demands of their intended audience. Familiarity with this widely read genre is essential to a full understanding of medieval culture, and *Chaste Passions* is an excellent introduction to these often racy, sometimes comic, tales.

Woman As Hero In Old English Literature Aug 10 2020 The first comprehensive study of heroic women figures in Anglo-Saxon literature investigates English secular and religious prose and poetry from the seventh to the eleventh centuries. Given the paucity of surviving literature from the Anglo-Saxon period, the works which feature major women characters -- often portrayed as heroes -- seem surprisingly numerous. Even more striking is the strength of the female characterizations, given the medieval social ideal of women as peaceful, passive members of society. The task of this study is to examine the existing sources afresh, asking new questions about the depictions of women in the literature of the period. Particular attention is focused on the failed, possibly adulterous women of 'The Wife's Lament' and 'Wulf and Eadwacer', the monstrous mother of Grendel in 'Beowulf', and the chaste but heroic figures and saints Judith, Juliana, and Elene. The book relies for its analysis on recent and standard texts in Anglo-Saxon studies and literature, as well as a thorough grounding in

Latin and vernacular historical documents and Anglo-Saxon writings other than the focal literary texts.
